OUR FAMILY OF SUBSIDIARY COMPANIES

Diné Development Corporation is a tribally owned holding corporation established in 2004 to provide viable economic opportunities for the Navajo Nation. Headquartered in Window Rock, AZ, we are committed to preserving our rich culture through a continual focus on core values. Through strategic growth, we have dynamically expanded our family of companies while supporting the Navajo Nation. Our subsidiaries provide professional and technical IT and environmental services to a broad portfolio of commercial, tribal, and federal clients.

At the heart of DDC is our commitment to contribute economic and leadership resources to build and cultivate opportunities for the Navajo Nation. In addition to philanthropic activities, DDC's enterprise and expansion provides unparalleled potential for the Navajo Nation and its People.

VISION, MISSION, AND CORE VALUES

Vision

To be the best tribal corporation in the world

Mission

Create a family of companies that provide sustainable profits and jobs

Heritage

Build on our powerful heritage by boldly pursuing regional and global business opportunities.

Economic Viability

Establish and nurture economic engines to provide growth and opportunity for Diné people.

Leadership

Develop the capacity and capability of leaders who promote business excellence.

Performance

Maximize the profits and reach of our subsidiaries, while expanding scalable systems and infrastructure for future companies.

Respect

Conscientious care of the Navajo Nation, the environment, our diverse portfolio of clients, employees and their families.
