DDC Family of Companies

Since 2004, Diné Development Corporation (DDC) has been committed to providing government agencies and commercial organizations with high-quality IT, professional, and environmental services. Wholly owned by the Navajo Nation, we push the boundaries of growth to continually improve upon our record of extraordinary service. We strive to deliver exceptional solutions while empowering the Navajo Nation and advancing communities across the world. DDC IT Services brings capabilities and expertise spanning the DDC family of companies to every project. As a subsidiary of DDC, DDC ITS leverages comprehensive infrastructure and resources unprecedented among small businesses. This support includes dedicated program management, contracts, recruiting, human resources, finance and accounting, and security departments. DDC ITS offers the flexibility of a small company and qualifications of a large corporation.
