- ▲ Lower overhead and general and administrative costs driven by a shared services model

## DDC Family of Companies

Since 2004, Diné Development Corporation (DDC) has been committed to providing government agencies and commercial organizations with high-quality IT, professional, and environmental services. Wholly owned by the Navajo Nation, we push the boundaries of growth to continually improve upon our record of extraordinary service. We strive to deliver exceptional solutions while empowering the Navajo Nation and advancing communities across the world.

Red Canyon brings capabilities and expertise spanning the DDC family of companies to every project. As a subsidiary of DDC, Red Canyon leverages comprehensive infrastructure and financial resources unprecedented among small businesses. This support includes dedicated program management, contracts, recruiting, HR, finance and accounting, and security departments. Red Canyon offers the flexibility of a small company and qualifications of a large corporation.
