

CAPABILITY STATEMENT

Who We Are

BRIC empowers government organizations with comprehensive professional and environmental services that enhance efficiency and mission success. By streamlining workflows, optimizing resources, and improving decision-making, we help organizations navigate complex challenges to address evolving

business needs. Committed to excellence and inspired by the Navajo legacy of ingenuity, BRIC delivers agile solutions that drive meaningful results and lasting impact. BRIC is a Tribally owned, SBA 8(a) and HUBZone certified, Small Disadvantaged Business (SDB) and subsidiary of Diné Development Corporation (DDC).

DDC Family of Companies

Since 2004, Diné Development Corporation (DDC) has been committed to providing government agencies and commercial organizations with high-quality IT, engineering, professional, and environmental services. Wholly owned by the Navajo Nation, we push the boundaries of growth to continually improve upon our record of extraordinary service. We strive to deliver exceptional solutions while empowering the Navajo Nation and advancing communities across the world. BRIC brings capabilities and expertise spanning the DDC family of companies to every project. As a subsidiary of DDC, BRIC leverages comprehensive infrastructure and resources unprecedented among small businesses. This support includes dedicated program management, contracts, recruiting, human resources, finance and accounting, and security departments. BRIC provides our clients with the flexibility of a small company and qualifications of a large corporation.
