

DINÉ DEVELOPMENT CORPORATION

MISSION FOCUSED.
LEGACY INSPIRED.
COMMUNITY DRIVEN.

Who We Are

Diné Development Corporation (DDC) delivers IT, engineering, professional, and environmental solutions that empower worldwide defense, civilian, and healthcare missions. We solve complex challenges through legacy-inspired innovation—enabling our clients to achieve greater outcomes for the communities they serve.

Our work is powered by a bold commitment to transform how agencies operate in a fast-paced digital world. Our experts bring mission-first focus, adaptive agility, and inventive thinking that consistently deliver results that our customers trust. By blending modern capabilities with purpose-driven innovation, DDC redefines possibilities for lasting impact.

As a Tribally owned company, we operate with purpose beyond business. Our success powers long-term economic growth and opportunity for the Navajo Nation. We are a trusted partner, a catalyst for meaningful change, and a force for progress—raising horizons for our clients, our People, and the global communities we proudly serve.

Tribal Advantages

As a Navajo Nation owned corporation and participant in the SBA 8(a) Business Development Program, we offer our clients significant contracting benefits. By leveraging Tribal 8(a) procurements, clients can readily access the skills and expertise of our family of companies while accelerating the acquisition process. This streamlined approach allows our clients to maintain operational continuity while realizing time and cost efficiencies.

- ✓ Sole source contract award ability up to \$25M for civilian agencies and \$100M for DOD agencies without justification and approval (non-protestable) [DFARS 206.303-1(a)]
- ✓ Indian Incentive Program (IIP) – 5% rebate to prime contractors (DFARS Clause 252.226-7001)
- ✓ Small and SDB credit received by subcontracting work to DDC companies [FAR 52.219-19 (i)]
- ✓ Teaming with 8(a) small businesses enable large businesses to increase competitiveness and access to small business contracts through Joint Ventures and Mentor-Protégé Programs
- ✓ Lower overhead and general and administrative costs driven by a shared services model
